Co-Ordinating Committee

Export of Electronic Equipment to  
Poland

Memorandum by the United Kingdom Delegation

The United Kingdom authorities have been asked to approve the export to Poland of a R.F. Power Meter, Type T.F. 1152/1. The equipment is covered by the definition of I.L. Item No. 1529 and its value is \$156. It is stated to be required for the technical training of students in the University of Warsaw.

2. The export of similar equipment has previously been approved by the Committee; COCOM DOCUMENTS 3344, 3565 and 3569 refer.
3. A detailed description of this type of Power meter was given in COCOM Document No. 3344 paragraph (C).
4. Her Majesty's Government consider that the present requirement is reasonable and wish to authorise the export under the special Polish exceptions procedure. The usual assurances against re-export would be obtained and they would be grateful for the views of Member Governments by October 19.
